POWER MEETS PEACE OF MIND

These 389 horses deserve all your attention. So Nissan's EV Carefree+ program is taking care of almost everything else. With an 8-year/100,000 mile (whichever comes first) battery warranty, complimentary maintenance plan, and one year of unlimited EVgo charging included with your ARIYA purchase, all you have to worry about is where you're going next. Shop the All-Electric ARIYA at [NissanUSA.com](https://www.nissanusa.com) to make the switch today.

2023 ARIYA has limited availability. Contact your local dealer for inventory information. AWD expected availability early 2023 - subject to change. Pre-production model shown. Actual production model may vary. 389HP available on select models. Must enroll new 2023 ARIYA VIN in customer's active EVgo account no later than 90 days from the date of vehicle purchase/lease. Fleet customers not eligible. Other terms/restrictions apply. Visit nissanenergypers.com for full program details. The Nissan lithium-ion battery and battery capacity limited warranty includes coverage for defects in materials or workmanship for 96 months/100,000 miles (whichever occurs first) as well as protection against capacity loss below 9 segments of capacity (out of 12) as shown on the vehicle's capacity gauge for a period of 96 months/100,000 miles (whichever occurs first). For complete information concerning coverage, conditions, limitations, and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet. Read a sample Security+Plus contract at your dealer, and read your actual service contract because its terms, conditions, exclusions, and limitations control. In Florida, Security+Plus is backed by Nissan Extended Services North America, Inc., P.O. Box 885004, Franklin, TN 37068-5004, License #60128.
